

Teacher of Science

Henry Hudson Regional School is a 7-12 comprehensive middle/high school. The administration is seeking a dynamic science teacher who is certified in biology, physical science or chemistry to teach both middle and high school science. Experience teaching middle school science a plus. Seeking someone who likes to work in a professional atmosphere with small class sizes and supportive parents.

Prior applicants should not apply

Qualifications:

- High School and Middle School teaching experience preferred
- Knowledge of the Common Core State Standards is necessary
- Appropriate N. J. Certification is Required

Please mail or email your cover letter, resume and copies of all certifications by April 29, 2016 to:
